"献砖建堂"行动 我们的新圣堂工程就快要动工了! 但目前所筹到的钱还不够, 我们还需以其他方式筹款。 本堂神父将推展"献砖建堂"行动, 让大家能继续为新圣堂筹款。从本周开始, 大家可在弥撒后或任何办公时间, 到办公室捐<u>十零吉</u>买一块建堂用的砖, 并在砖的上面写下自己的名字。神父吁请大家踊跃响应, 多多捐款。

"Brick Donation Campaign". Our new church project will begin construction work very soon. As we are still short of funds, we will continue to find ways to raise them. Rev Fr Louis will launch the "Brick Donation Campaign" as one of the fundraising events to enable more parishioners to be involved. From this week onwards, after mass or anytime during office hours, you can donate **RM10** through our Office for a piece of brick whereby you can write your name on it. This brick will be used to build the new church.

Fr. Louis appeal to all parishioners to contribute and to be involved.

Date: 10.2.2022

### 6th Sunday in Ordinary Time – (Luke 6:17, 20-26) 13.2.22

## **Developing Great Faith**

"The Apostles said to the Lord, show us how to increase our faith." (Luke 17:5)

Little faith can become great faith as we use it. As we take steps to trust God, we experience His faithfulness and that, in turn encourages us to have greater faith. As our faith develops and grows, our problems have less power over us and we worry less, that is something to be grateful for.

We can choose to think about what God can do instead of what we cannot do. If we continually think about the difficulty of our situation, we may end up in despair, and that means we feel unable to find a way out, we feel trapped, and then it is easy to panic and begin to do irrational things that only make the problem worse. But God always provides the way out (1 Corinthians 10:13). Even though you might not see the way out right now, one does exist and God will reveal it as you trust Him.

# **Prayer of Thanks**

Father, I thank you that my faith can grow stronger as I put my trust in you. You are greater than any problem I will ever face. When I focus on you, I know that worry and despair will fade away. Thank you for your faithfulness and your work in my life.

Fr. Augustine Wong

# 发展更大的信德

"宗徒们向主说:「请增加我们的信德罢!」"(路17:5)

当我们常因信徳行事时,小小的信德可以变成大大的信德。因为当我们开始 去依靠天主时,我们会体验到祂的信实,藉此也激发我们更大的信德。随着 我们的信德逐渐成长,我们的问题对我们的影响也越来越小,还有我们的担 心也更少了,这是值得感恩的。

我们可以选择去想天主能做的事,而不去想我们不能做的事。如果我们不断去想我们身处的困难,我们可能最终陷入於绝望之中,这意味着我们觉得无法找到出路,我们感到被困着,然后很容易恐慌及做非理性的事情,这只会使问题变得更糟。

但"**天主必开一條出路**。"(格前10:13)即使你现在可能看不到出路,但它确实存在,当你信靠祂时,祂会为你揭开这一切。

# 感恩的祈祷

天父,我感谢祢让我的信德因着信靠祢而更坚强。祢比我将要面对的任何问题都要強大。当我只專注於祢时,我知道所有担憂和绝望都会消失。我感谢祢的信实和祢在我生命中的工作。

黄柄隆神父

# Membangunkan Iman yang Agung

"Para Rasul berkata kepada Tuhan, tunjukkan kepada kami bagaimana meningkatkan iman kami." (Lukas 17:5)

Iman yang kecil boleh menjadi iman yang besar apabila kita menggunakannya. Semasa kita mengambil langkah-langkah untuk mempercayai Tuhan, kita mengalami kesetiaan-Nya dan itu, seterusnya mendorong kita untuk mempunyai iman yang lebih besar. Apabila iman kita berkembang dan membesar, masalah kita mempunyai kuasa yang kurang terhadap kita dan kita kurang bimbang, itu adalah sesuatu yang patut disyukuri. Kita boleh memilih untuk berfikir tentang apa yang Tuhan boleh lakukan daripada apa yang tidak boleh kita lakukan. Jika kita terus memikirkan tentang kesukaran keadaan kita, kita mungkin berakhir dalam keputusasaan, dan itu bermakna kita tidak dapat mencari jalan keluar, kita merasa terperangkap, dan kemudian mudah panik dan mula melakukan perkara yang tidak rasional yang hanya membuat masalah menjadi lebih teruk. Tetapi Tuhan sentiasa menyediakan jalan ke luar (1 Korintus 10:13). Walaupun anda mungkin tidak melihat jalan keluar sekarang, satu jalan memang wujud dan Tuhan akan mendedahkannya apabila anda mempercayai-Nya.

#### Doa Terima Kasih

Bapa, saya berterima kasih kepada-Mu kerana iman saya dapat bertambah kuat apabila saya meletakkan kepercayaan saya kepada-Mu. Anda lebih hebat daripada sebarang masalah yang akan saya hadapi. Apabila saya memberi tumpuan kepada anda, saya tahu bahawa kebimbangan dan keputusasaan akan hilang. Terima kasih atas kesetiaan anda dan kerja anda dalam hidup saya.

Paderi Paroki Augustine Wong
